

Essentials Baskets Project

A Doorway to Hope is a local charity that assists working, low income families experiencing financial and/or life crises and are unable to qualify for traditional means of assistance. Many of the "working poor" live paycheck-to-paycheck and do not have extra resources to cover unexpected expenses or even basic household items like laundry detergent or bath soap. Each year ADTH adopts 75+ impoverished families in our community. The children in each adopted family receive two gifts of basic necessities and two gifts of fun items. In addition, each family receives an "Essentials Basket."
